COURSE DESCRIPTIONS:

Vaccine Management: Required for Vaccine Managers that have not had a one-on-one training by NHIP staff. It is also recommended for any staff needing a refresher or knowledge in vaccine management.

Vaccine Ordering and Management System (VOMS): Required for staff responsible for vaccine ordering , reporting vaccine usage and maintaining vaccine inventory. It is also available for staff requiring a refresher. NHIP recommends that at least two staff attend the VOMS training in each office.

REGISTRATION:

To register for either course, fax your completed registration form to 603.271.3850. Upon receipt of your registration form, a confirmation email will be sent.

Questions call 603.271.4482

NOTE: Trainings are mandatory for all new Vaccine Managers and Assistant Vaccine Managers.
